

REHEARSAL DETECTIVE

Name _____ Date _____

Class: 6th GR Even 6th GR Odd 7th GR 8th GR

Learn as much as you can today about our orchestra class and rehearsal habits, by WATCHING, LISTENING, and RECORDING your observations. Use complete sentences and legible handwriting to respond to the following questions. Feel free to skip around when answering questions (all questions must be completed by end of class).

You are expected to observe and write for the entire period

1. How did the students prepare for the start of class? What were some of the positive actions that students engaged in to prepare for rehearsal? Describe any behaviors that might have a negative impact on the rehearsal.

2. Describe today's warm-up activities. Describe how today's warm-up activity could improve the group's musical skills.

3. Explain something that you missed out on today because you were unable to play your instrument. How could this affect your progress in class?

4. Describe **TWO** things that the class worked on and showed significant improvement on. What rehearsal/practice strategies were used to generate this improvement?

- ---

5. Describe something you learned, discovered, or found interesting about today's rehearsal.

6. What sort of home practice will you do to make-up for missed learning opportunities today? Be specific by listing measure numbers and practice strategies that you will focus on.

- Did you:**
- Use complete sentences for every answer?**
 - Thoroughly answer all the questions?**
 - Observe and reflect for the entire class period?**
 - Avoid disrupting the class?**
